

The Prohibited Medication List

APPROVED

by the Law of Azerbaijan Republic

from 28 June, 2005

№ 960-IIQ

LISTS

of narcotic drugs, psychotropic substances, turnover of which on the territory of Azerbaijan Republic is prohibited, restricted and controlled and also precursors, import, export, transit transportation and production of which on the territory of Azerbaijan Republic requires the license (special permission)

SECTION I

Narcotic drugs and psychotropic substances, turnover of which on the territory of Azerbaijan Republic is prohibited

1. Narcotic drugs, turnover of which on the territory of Azerbaijan Republic is prohibited:

- | | | |
|-----------------------------------|--------------------------|---|
| 1. Allylprodine | 23. Dextromoramide | 45. Phenomorphan |
| 2. Alpha meprodine | 24. Dextropropoksifen | 46. Phenoperidine |
| 3. Alpha metadol | 25. Diampromide | 47. Phuretidine |
| 4. Alpha methylfentanyl | 26. Dihydroetorphine | 48. Pholcodine |
| 5. Alpha metiltiofentanil | 27. Dihydromorphine | 49. Heroin |
| 6. Alphaprodine | 28. Dimenoxadol | 50. Hydrocodone |
| 7. Alpha sethylmetadol | 29. Dimepgeptanol | 51. Hydroxypethidine |
| 8. Anileridin | 30. Dimethyltiambuten | 52. Hydromorphinol |
| 9. Acetyl-alpha-methylfentanyl | 31. Dioxaphetyl butyrate | 53. Hydromorphone |
| 10. Acetylmetadol | 32. Dipipanone | 54. Concentrate of poppy straw |
| 11. Acetorphin | 33. Diphenoxylate | 55. Isomethadone |
| 12. Acetyldihydrokodein | 34. Difenoxin | 56. Cannabis resin, extract and essence |
| 13. Bezitramid | 35. Diethyltiambutene | 57. Ketobemidone |
| 14. Benzetidin | 36. Drotebanol | 58. Clonitazene |
| 15. Benzylmorphine | 37. Ecgonine | 59. Codoxime |
| 16. Beta-hydroxy-3-methylfentanyl | 38. Ethylmethylianbuten | 60. Cocaine |
| 17. Beta-hydroxyfentanyl | 39. Etoxeridine | 61. Coca leafs |
| 18. Betameprodine | 40. Etonitazene | 62. Levomethorphan |
| 19. Betamethadol | 41. Etorphine | 63. Levomoramide |
| 20. Betaprodine | 42. Phenadoxone | 64. Levorphanol |
| 21. Betacetylmethadol | 43. Phenazone | 65. Levophenacylmorphan |
| 22. Desomorphine | 44. Phenampromide | 66. Methadone intermediate |

67. Metazocine	86 Normorphine
68. Methyldesorphin	87 Norpripanone
69. Methyldihydromorphine	88 Oxycodone
70. 3-methylthiophentany	89. Oxymorphone
71. 3-methylphentany	90. PEPAP
72. Metopon	91. Pethidine
73. Myrophine	92. Pethidine intermediate A
74. Moramid intermediate	93. Pethidine intermediate V
75. Morpheridine	94. Pethidine intermediate S
76. Morphine metobromide	95. Piminodine
77. Morphine-N-oxide	96. Proheptazine
78. MPPP	97. Properidine
79. Nicodicodeine	98. Rasemorphane
80. Nicocodeine	99. Rasemoramid
81. Norcodeine	100. Rasemorphane
82. Nicomorphine	101. Remifentanil
83. Norasetimethadol	102. Opium
84. Norlevorphanol	103. Tebakon.
85. Normethadone	

Import of narcotic drugs, specified in this list, into Azerbaijan Republic under other names, as well as all their salts and compounds is prohibited.

2. Psychotropic substances, turnover of which on the territory of Azerbaijan Republic is prohibited:

1. Amineptin	14. Cathinone
2. Amphetamine	15. Lysergide (LSD, LSD-25)
3. Brolamfetamine DOB	16. Levamphetamine
4. DMA	17. Levometamphetamine
5. DMGP	18. MDMA
6. DMT	19. Mescaline
7. DOET	20. 4-methylamironex
8. DET	21. 4-MTA
9. Dexamphetamine	22. Metkatinon
10. Dronabinol-Delta-9-tetrahydrocannabinol	23. MMDA
11. Eticyclidin FSG	24. Phenmetrazine
12. Etryptamine	25. Phencyclidine (FSP)
13. Phenethylline	

SECTION II

1. Narcotic drugs, turnover of which on the territory of Azerbaijan Republic is restricted:
Import of narcotic drugs, specified in this list, into Azerbaijan Republic under other names, other content and composition is also restricted.

- | | |
|----------------------------|---------------------------------------|
| 1. Alfentanil | 9. Piritramid |
| 2. Dihydrocodein | 10. Properidine |
| 3. Ethylmorphine | 11. Papaveratum (pantopon, omnoponum) |
| 4. Phentanyl | 12. Sufentanil |
| 5. Codein and salts | 13. Tebaine |
| 6. Methadone | 14. Tilidin |
| 7. Morphine and solts | 15. Tiophentanyl |
| 8. Para-fluorophentanyl | 16. Trimeperidine. |

Narcotic drugs, specified in this list may be imported into Azerbaijan Republic only by the governmental authorities.

2. Psychotropic substances, turnover of which on the territory of Azerbaijan Republic is restricted:

1. Amobarbital
2. Buprenorphine
3. Butalbital
4. Kathin (+) – Norpseudoephedrin
5. Glutetimid
6. Pentazosinum
7. Pentobarbital
8. Cyclobarbital

Import of psychotropic substances, specified in this list, into Azerbaijan Republic under any other names and without indication of their international names is also restricted. Psychotropic substances, specified in this list may be imported into Azerbaijan Republic only by the governmental authorities.

SECTION III

Psychotropic substances, turnover of which on the territory of Azerbaijan Republic is controlled:

- | | |
|-------------------------------|---|
| 1. Allobarbital | 8. Butobarbital |
| 2. Alprozolam | 9. Delorazepam |
| 3. Aminorex | 10. Diazepam |
| 4. Amfepramone-Diethylpropion | 11. Estazolam |
| 5. Barbital | 12. Ethylamphetamine-N-ethylamphetamine |
| 6. Benzphetamine | 13. Ethyl loflazepat |
| 7. Bromazepam | 14. Ethynamate |
| 15. Brotizolam | 27. Etxlorvinol |

- | | |
|----------------------|------------------|
| 16. Phendimetraclon | 28. Cloxazolam |
| 17. Phenkamphamine | 29. Clobazam |
| 18. Phenobarbital | 30. Clonazepam |
| 19. Fenproporex | 31. Clorazepate |
| 20. Phentermine | 32. Clotiazepam |
| 21. Fludiazepam | 33. Galazepam |
| 22. Flurazepam | 34. Galoxazolam |
| 23. Flunitrazepam | 35. GOMK |
| 24. Chlordiazepoxide | 36. Loprazolam |
| 25. Camazepam | 37. Lorazepam |
| 26. Ketazolam | 38. Lormetazepam |

SECTION IV

Precursors, import, export, transit transportation and production of which on the territory of Azerbaijan Republic requires the license (special permission):

- | | |
|-------------------------------|---|
| 1. Antranil acid | 13. Norephedrine |
| 2. Acetone | 14. N-acetylantranilic acid |
| 3. Ergotamine | 15. Piperonal |
| 4. Ephedrinum | 16. Pseudoephedrin |
| 5. Ethyl ether | 17. Piperidine |
| 6. Ergometrine | 18. Anhydride of acetic acid |
| 7. Phenylacetic acid | 19. Safrole |
| 8. Hydrochloric acid | 20. Sulfuric acid |
| 9. Isosafrol | 21. Toluol |
| 10. Potassium permanganate | 22. 1-Phenyl-2-propanone |
| 11. Lysergic acid | 23. 3,4-methylenedioxyphenyl-2-propanone. |
| 12. Methyl ethyl ketone (MEK) | |
